HONOLULU, HAWAH TERRITORY, FRIDAY, FEBRUARY 18, 1910.

PRICE FIVE CENTS

# NEWCOMERS LANDED

Russians, Filipinos, Hindus and Japanese Brought by the Mongolia.

TROUBLE HAD BEEN EXPECTED

With Russians From Dissatisfied Ones Ashore, but Nothing Came of It After All.

found the soil of the Hawaiian Islands actually under their feet, they clapped their hands and shouted and in many tion among them that they had taken notice of the stories of dissatisfaction

a few months ago. They were a happy lot of people, ap parently care free, and they went to the immigration station without make ing any trouble or embarrassing the offithe Mongolia and sent neross the haror on the Pioneer to the Canadian Australian wharf, where they were ded in the dark, for the wharf was salighted, but a lane of immigration men and others gave ample security for the head of the immigration service Raymond C. Brown, to have them con ducted safely across the street. However, they were all anxious to get into the building, for it looked inviting. They were without their baggage, and her looked forward to a hot supper.

Marshal's Force on Hand. There was some intimation that Rus sians, a few, who came over in the first Ks, were to be on hand to talk the immigrants out of accepting work on the plantations. Some were seen near the wharf, and Mr. Brown called upon the United States marshal for assistance in keeping such persons away from the incoming immigrants. He was responsible for them until they were officially passed and wanted no interference Marshal Hendry and three deputy mar shals were on hand on the wharf.

The local Russians, however, went to beighboring wharf across the Alakea. slip, and endeavored to engage the peoon the Monoglin in conversation. warnings not to neept work offered

# MOB DECLARES SHERIFF

Bloody Race Riots Threatened at Cairo and Situation Is Desperate.

THE MILITIA IS ORDERED OUT

Deputies Fire on Infuriated Men Who Make Attack on the Jail.

CAIRO, Illinois, February 18 .- Again Cairo is threatened with a race riot. Three persons were wounded yesterday in the fighting which followed an attempted jail delivery and a mob has threatened to lynch the sheriff.

Yesterday evening a mob of 200 atwhen the mob arrived at the jail the members found twenty-four deputies lined up to oppose them. The mob leader ordered the sheriff to give up the prisoner and the sheriff declined, and in turn ordered the mob to dis-

After a little parleying the mob again advanced on the jail. Again the sheriff ordered the infuriated men to halt and when they failed to obey he gave his deputies the command to fire.

At the first volley three of the fell to the ground, seriously wounded, while others received injuries of a more or less serious nature. The advance was effectually stopped, however, and seeing the deputies ready to fire a second volley the leaders gave the order to retreat.

News of the fight spread like wildfire and threats were made not only against the prisoner, but against the sheriff and his deputies as well. At an early hour this morning the mob began reforming in the neighborhood of the jail and threats were made that the sheriff and his twenty-four deputies would be hanged to the telegraph poles in the neighborhood.

The mob is thoroughly desperate and the militia has been ordered out to protect the jail. The situation is critical,

### POSTAL SAVINGS BANK BILL DECLARED SAFE

ance That Measure Will Pass.

WASHINGTON, February 18.—President Taft was yesterday given assurance that the bill creating postal sayings lanks will pass the senate.

The postal savings bank hill is an administration measure and is one of the pieces of legislation in which the President is particularly interested. There has been strong opposition to its passage on the part of banking instituions throughout the country and many petitions for and against the bill have
